This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. The Act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the Act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the Act of March 4, 1909, will be found at the end of this issue, immediately following the text.

On pages v–vii will be found a list of the duplicate periodicals which, under the provisions of section 60 of the copyright Act of March 4, 1909, may now be returned to such copyright proprietors as shall desire to withdraw them.

Each number has an index to proprietors. The 4th number, completing the volume has a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

LIST OF COPYRIGHT RENEWALS

1914

NEW SERIES, VOLUME 9, NO. 2

WASHINGTON
GOVERNMENT PRINTING OFFICE
1914

The Act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the Act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the Act of March 4, 1909, will be found at the end of this issue, immediately following the text.

On pages v–vii will be found a list of the duplicate periodicals which, under the provisions of section 60 of the copyright Act of March 4, 1909, may now be returned to such copyright proprietors as shall desire to withdraw them.

Each number has an index to proprietors. The 4th number, completing the volume, has a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

LIST OF COPYRIGHT RENEWALS

1914

NEW SERIES, VOLUME 9, NO. 3

WASHINGTON
GOVERNMENT PRINTING OFFICE
1914

The Act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the Act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the Act of March 4, 1909, will be found at the end of this issue, immediately following the text.

On pages v-vii will be found a list of the duplicate periodicals which, under the provisions of section 60 of the Copyright Act of March 4, 1909, may now be returned to such copyright proprietors as shall desire to withdraw them.

Each number has an index to proprietors. The 4th number, completing the volume, has a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

WASHINGTON

The Act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviation used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

On pages v-vii will be found a list of the duplicate periodicals which, under the provisions of section 60 of the copyright act of March 4, 1909, may now be returned to such copyright proprietors as shall desire to withdraw them.

This number, completing the volume, has a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The copyright convention signed at the FOURTH INTERNATIONAL AMERICAN CONFERENCE at Buenos Aires, August 11, 1910, was proclaimed by the President of the United States on July 13, 1914, and is in effect as between the United States and the Dominican Republic, Guatemala, Honduras, Panama, Nicaragua, and Ecuador.

LIST OF COPYRIGHT RENEWALS

1915

NEW SERIES, VOLUME 10

No. 1

WASHINGTON
GOVERNMENT PRINTING OFFICE
1915

The Act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviation used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

On pages v-vii will be found a list of the duplicate periodicals which, under the provisions of section 60 of the copyright act of March 4, 1909, may now be returned to such copyright proprietors as shall desire to withdraw them.

Each number has an index of proprietors. The 4th number, completing the volume, has a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as competent evidence of the facts stated therein as regards any copyright registration."

The Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ensues and registration follows deposit of copies and application or entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals, "No." amount for copyright registration, followed by date of publication, and "Ja. 15," or 2 copies, followed by date of their receipt.

A list of the copyright entries and extensions made for periodicals under section 5 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

There will also be found a list of the duplicate periodicals which, under the provisions of section 59 of the copyright act of March 4, 1909, may now be disposed of unless copyright proprietors shall desire to withdraw them.

The annual subscription for volumes has a full annual index to both titles and [illegible]. The subscription price must be for the complete calendar year and is $1.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express money order or New York draft.

1915

NEW SERIES, VOLUME 10

No. 3

WASHINGTON
GOVERNMENT PRINTING OFFICE
1915

The Act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c." for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

On pages v-vii will be found a list of the duplicate periodicals which, under the provisions of section 60 of the copyright act of March 4, 1909, may now be returned to such copyright proprietors as shall desire to withdraw them.

Each number has an index of proprietors. The 4th number, completing the volume, has a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The Act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is given only when it is not the same as the address stated in the claim of copyright.

Under the act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "c" stands for copyright registration, followed by date of publication; and "2 c." for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

On pages [illegible] will be found a list of the duplicate periodicals which, under the provisions of section 60 of the copyright act of March 4, 1909, may now be returned to such copyright proprietors as shall desire to withdraw them.

This number, completing the volume, has a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The copyright convention signed at the FOURTH INTERNATIONAL AMERICAN CONFERENCE at Buenos Aires, August 11, 1910, was proclaimed by the President of the United States on July 13, 1914, and is in effect as between the United States and the Dominican Republic, Guatemala, Honduras, Panama, Nicaragua, and Ecuador.
